

Founded in 1984 the Central Alberta Cutting Horse Club is proud to provide cutting competitions that offer a comfortable yet competitive environment. We encourage competitors of all levels from beginner and novice right up to open riders. With our membership numbers increasing, we attract people with a passion for fine horses and western heritage.

The Central Alberta Cutting Horse Club has designed “The Stallion Showcase” to promote western performance horses close to home. This program is another avenue for the club to acquire sponsorship while contributing back to our industry by promoting the fine horses that we have available to us.

The sponsorship amount to take part in the “Stallion Showcase” is \$250.00. With this opportunity you will have your stallion promoted on our website continuously for the 2017 season and he will also be included in our social media content.

If you have any questions, please feel free to contact one of our directors or email us at
