

Hello Members,

We are getting things ready for our 2018 season. Your directors have been diligently working on setting up your shows, clinics, etc. It has come to the boards' attention that the entry fees may need to be adjusted. Over the last few years, there has been some concern over our entry fees. The cost for cattle has increased for the horse industry and unfortunately our club falls short of meeting this fee. Also, many of the other components that make up your entry fee have been constant for many years, and we feel may be in need of adjustment.

The ambition of your club has always been to keep cutting FUN and *Affordable!*

Your directors have approved the following increase which still keeps cutting in this club, one of the most affordable in Alberta! And of course you bring the comradery and FUN!
